RED WINE 2018

---

SAFFRON VINEYARD  
MOUNT VEEDER  
NAPA VALLEY

“An undeniably stunning wine from perhaps  
THE vintage of the century in the Napa Valley—a  
new benchmark of refinement.”

-Jean-Noel Fourmeaux

The 2018 Fourmeaux Red Wine soars out of the glass with vibrant ripe blackberries, black cherries and fresh red and black currants plus wafts of licorice, candied violets & cedar chest. The most impressive quality of this beautiful wine is its incredible length and depth of character and flavors. On the palate, it is polished with ultra-fine velvety tannins, pure pleasure! Along with the 2013 and 2016, the 2018 vintage is a classic not to miss!
