PINOT NOIR 2021
CHAPTER VIII

REULING VINEYARD
SONOMA COAST
SONOMA COUNTY

The FOURMEAUX 2021 Chapter VIII is our most masculine Pinot Noir. It's generous almost brooding, inky color tells you this is going to be a mouthful. Cherries, cherries, and more even more cherries explode from the glass... think Luxardo Maraschino Cherries Jubilee Flambée!!! The rich, almost voluptuous texture and its melted tannins make this wine so "sexy"! Cherry cola, hibiscus flowers, and warm Tahitian vanilla all keep your nose "in the glass".
